Specification

- ▶ Clamping lever
Zinc die casting
plastic coated
silver-metallic
- ▶ Inserts,
Distance bushing
Stainless Steel
German Material No. 1.4305
- Hexagon nut DIN 985
Stainless Steel
German Material No. 1.4301
- ▶ Stainless Steel characteristics
main catalogue page 894

Information

The clamping kits GN 911 can be used instead of the hexagon socket cap screws DIN 912 for connector clamps.

The table of the connector clamps shows the corresponding clamping kit for each clamping point.

How to order

Clamping kit GN 911-M8-45
